Welcome!

TEAM TRURO at the 2024 Ekka
• **Grand Champion Hereford Female** •

Welcome to our 17th Spring Sale, where we look forward to introducing you to the most up to date, modern, fresh genetics, to hit the market in 2025.

We will be offering 34 bulls, in arguably the best set of bulls we've ever offered, so consistent, both in type and data. We've been targeting sires with that bit of extra punch and going after them.

The progeny of Yavenvale Real Deal (PP) are one of the features of this sale. They display exceptional carcase and increase in IMF. Again the feature horned bulls are sired by Warwick Court Roma (H), and wow are they special.

Again this year, due to an abundance of weaner heifers, we are offering 9 female. This is a unique opportunity to purchase from the heart of our herd with the most up to date genetics out there !!

This year, for the first time in a long time, we have gone back to Sydney with 3 led steers. Although this is not a commercially relevant exercise, we wanted to show that Herefords can compete. Our three steers were fed for 80 days and performed exceptionally well. We had two steers chosen in the Hereford team for the Stan Hill Trophy. Truro had the highest place, and the only whiteface steer, to pulled up into the front line on the hoof. In the hook section, with a different steer, we had the highest placed Hereford steer at 450 kgs and 103 sq. cm EMA. We have teams in the RNA feedlot trial, the Bindaree feedlot trial and hopefully the RAS feedlot trial at the end of the year. These are valuable commercially orientated benchmarking tools that we want to continue to peg ourselves against.

We would love you to see the bulls/females prior to sale , if possible, and invite your visit anytime. We believe there are a number of bulls that could perform stud duties. It's definitely the most powerful, both phenotypically and genetically, set of bulls we have ever put forward, breeding without compromise !

Would love to see you on 25th of August 2025, or before.

All the best in Herefords
Cheers Scotty,
Pip and the girls

Sires at

Warwick Court Roma R111 (H) • WCPR111

An exceptional sire who has bred us some amazing cattle. His first calves calved in the autumn and look fantastic. Nice square udders with short teats and plenty of milk. They are very growthy cattle with tremendous length and weight in them.

Yavenvale Real Deal R125 (PP) • YAVR125

The \$74,000 bull we purchased from Yavenvale. This fellow has added carcass and IMF in spades. More moderate in their growth with exceptional muscle and expression. Lot 3 is a standout for us and should end up in a stud programme.
