# Karmoo Brahmans - *WFA*

We invite you to join us at our 6th Annual On-Property Sale, where you can interact with fellow breeders and explore the lots on offer this year.

The goal we set ourselves in achieving a low maintenance herd that thrives both with a high “calf on the ground” percentage and ‘minimal assistance required’ for productivity is reflected in our sale team. Our sale provides the opportunity for any clients to also benefit from this aspect of our cattle.

Our 2025 team has been carefully put together using a strict selection of breed genetics that is based on the “Back to Basics” needs of the everyday commercial beef producer.

Each bull represents our passion for excellence in livestock genetics, fertility, longevity, and ongoing efforts to serve the needs of our valued clients. With over 50% poll, whether it be red or grey, our boys are paddock reared, have had minimal preparation and are ready to work.

The heifers have been chosen with great care to complement our bull lineup and boost added value to any breeding program. They are suitable for either a high grade Brahman herd application or for cross breeding with Bos Taurus bulls.

Your support is much appreciated. We extend a warm welcome, plus look forward to discussing any requirements you may have on our offerings.

Here's to an enjoyable day,

Lance, Sonia and Kirstin Faint.
